## Manufacturer of Decorative Street Signs Adds Radarsign™ Brand to Product Line

**Alpharetta, GA - June 24, 2009**—Radarsign, one of the country's leading manufacturers and retailers of driver feedback signs, today announced that Brandon Industries has teamed up as a new distributor of the traffic calming products.

*"We chose Radarsign because we believe they are a great company that offered a high quality product at a very competitive price," explained Brandon Hall, president of Brandon Industries. "It's important to Brandon Industries to provide products that will make communities safer while offering a nice-looking product everyone can be proud of. Radarsign helps us do just that."*

Brandon Industries is a manufacturer of decorative street signs, wayfinding signage, commercial street lights, lampposts and mailboxes. The company will market and sell Radarsign's products to cities, schools and HOA's throughout the Southwest, with a focus on the state of Texas.

*"Brandon Industries has a terrific product line that compliments Radarsign's products," said Charlie Robeson, Director of Sales and Marketing for Radarsign. "Our driver feedback signs are some of the most attractive, effective and easy-to-use on the market today. We expect this to be a perfect fit within Brandon Industries line of decorative street poles and look forward to a successful relationship with them."*

**About Radarsign:** In 2004, Atlanta-based Radarsign™ established new industry standards for traffic-calming solutions with the debut of the world's only **armored driver feedback signs, which are vandal, weather and bullet-resistant**. The industry's most durable radar signs are also the most ecological. Radarsign's MUTCD-compliant products—the industry's most energy-efficient—are made in the USA and utilize recycled aluminum, innovative LED refractor technology, minimal battery power and solar panels to deliver bright, easy-to-read feedback to drivers. Radarsign has been entrusted to provide safe and effective traffic-calming solutions for: municipalities, treasured national parks, children and families at schools and in neighborhoods, military bases that protect homeland security, and private and public development projects across the U.S., Canada and overseas.
